Exam Result Enquiries

Information about Exam Board enquiry about result services will be sent out with the results.

Please note candidate consent is required before a request is made as candidates must understand that grades can go down as well as up.

There are three possible outcomes of a review of marking:

- Original Mark is lowered, so final grade may be lower than original grade.
- Original mark is confirmed as correct so there is no change to grade.
- Original mark is raised, so final grade may be higher than the original grade.

The services offered are clerical re-check, review of marking, and access to script.
